

PCP WISE 2nd Webstival Webinar 1: From Call for Tenders to PCP Implementation

Funded by
the European Union

Overview

Date: 26 May, 09:30-11:00 CET | **Duration:** 1h30

Background: Following the completion of the PCP WISE call for tenders, the project is entering a key transition phase towards implementation. Communicating transparently about the procurement journey and its outcomes is essential to maintain stakeholder mobilisation and prepare suppliers and buyers for the upcoming R&D phases. This webinar will therefore focus on telling the story of the PCP process, from challenge definition to evaluation results, while highlighting key lessons learned and outlining the roadmap for implementation.
